Overview:

The 2019 Ware Shoals Catfish Festival is now in its 39th year. It is a non-profit organization, managed by the Ware Shoals Catfish Festival Board of Directors, a group of dedicated volunteers. The Festival is alcohol free and no pets are allowed (except for service animals). The Catfish Festival will be held on Thursday May 23rd, Friday May 24th and Saturday May 25th, at (Town Square) Katherine Hall, Mill Street, Ware Shoals, SC 29692. In previous years this event has brought in more than 20,000 visitors over the weekend. As always, we are planning a fun weekend of great food and music guaranteed to get everyone on their feet and dancing in the streets.

Advertising:

Advertising becomes more extensive each year. Advertising includes our web page and social media, television ads, radio ads, newspapers, magazines and other festival web sites. Our advertising reach covers South Carolina, North Carolina, Georgia and Tennessee.

Rules and Regulations:

- If you have not participated in the Festival before, you must submit a photograph of your vending space set up. Misrepresentation will prevent the food vendor from being invited to participate in future Festivals. Water and sodas will sell for no less than \$1.00 minimum.
- Exhibitor is expected to provide their own set up (tables, chairs, backdrops, stands, covers, etc.). All spaces should be neat in appearance. Boxes and crates should be out of sight.
- Vendors may put up covers or canopies provided they are free-standing and will stand within the booth space allotted. For example, if you have a 10 x 10 space, the canopy, poles, anchors, pegs, or ropes may not extend outside the 10 x 10 space, no exceptions!
- Vendors will receive space assignments prior to arrival at the Festival. Checks will not be deposited until exhibitor is accepted. If you are not accepted, your check will be returned.
- It is the sole responsibility of each vendor to collect and report sales tax.
- The vendor agrees to release the Ware Shoals Catfish Festival Board of Directors and the Town of Ware Shoals from all liability for injury, damage, or loss to persons or property of the Vendor.
- The Vendor understands that there is no scheduled rain date and no refunds for inclement weather.
- **Vendors are responsible for leaving their booth area clean and to dispose of trash.**

Vendor Space:

Your tent, signs, equipment, tables, chairs, etc. are your responsibility.

Trash:

Vendors are responsible for collecting and properly bagging trash within your sales location. Our clean-up crew will collect properly bagged trash from outside of your sales location.

In order that our event to be successful, we must insist that everyone follow our rules. Those who do not, will be asked to leave and will not be invited to return. We ask for your cooperation and understanding.

Vending will begin on Thursday, May 23rd, 2019, from 12:00 pm - 11:00 pm. The Catfish Festival will be open again on Friday, May 24th, 2019 from 10:00 am - 11:00 pm and Saturday, May 25th, 2019 from 10:00 am - 11:00 pm. We strongly encourage vendors to stay open until at least 10 pm each day to take advantage of the crowd for the concert. Each retail vendor will be responsible for providing their own tents, tables, partitions for hanging displays and lighting. Various exhibit space sizes are available with power. Please see spaces listed on application. **No refunds will be issued for inclement weather.** Set up begins no earlier than 7 am. Set up must be completed by 9:30 am for Thursday, Friday and Saturday. Absolutely no tear-downs until 10 pm each evening. We know set up and breakdowns are extremely hectic, but we ask that you please unload and load your vehicles as quickly as possible and get your vehicles out of the way to allow other festival vendors access to their spaces and to allow for traffic flow.

Vendors must park in vendor parking area! No vehicles will be allowed to stay in the Festival area.

If you wish to be a festival participant, please fill out the vendor application and return along with your full menu, photos of your vending setup and foods, and a check for the appropriate amount. All applications must be received with photos, menus and check by no later than May 1st, 2019. Space is limited and the Ware Shoals Catfish Festival is a great opportunity to sell and promote your products!

NO refunds will be issued for inclement weather.
